

Courses Here you can search for courses

Click here to view your training record and reprint any certificates

My Team If you have a team, once selected, they will appear here. You can view their certificates (mandatory training status), training history and if they have their own team you can view that team's compliance.

Settings to change your password click here on the cog

My Required Skills this section informs you of any expired or expiring skills and competencies required for your Mandatory training, click on the name of the skill to book a course or view all my certificate's to see all your mandatory training information.

View All My Skills - see next page

My Verifications here you can see your history of verifications

The system links straight into Moodle (our on-line training platform) so it is easier for users to see what is available and book onto courses.
