13/04/2022	Sukbeer Simon Singh Duku	Consultant Ophthalmic Surgeon	Sponsorship	1/1/2020 to Date	Glaukos Limited	I teach on courses related to the iStent and have given presentations to doctors on how to use this device to manage patients with glaucoma.	There are many new devices for glaucoma and they all have their pros and cons. I first tried the Xen implant and stopped using it after 3 cases due to insufficient numbers of patients needing the device. I then moved on to using the iStent and found it very useful in the management of patients undergoing cataract surgery who also have glaucoma. I am therefore a speaker for the company because I have found the device to be useful to patients rather than the other way around.

26/05/2022	Graham Chalmers	Head Of Radiotherapy Physics	Hospitality	16/05/2022	Accuray	Meal out with representatives (service manager) [unsure if >£25]and others from the company, continuing discussions from a meeting to discuss both possible future developments in the equipment, seeking information on use of their equipment in other depts to advise us on future requirements, organising training on existing and already ordered and in store equipment using our existing contracts. Wide ranging business and social meeting. Furthers good relationships aiding our collaboration around 3 existing machines with a 4th already paid for and in storage.	This was not a sales related event. We have a long running relationship with the company > 10 years and have a number of their machines already. All purchasing decisions are made on a cross departmental level as part of the major capital programme. A meal out will not influence departmental strategy or major equipment replacement selection as performed by a much wider MDT. Opportunities for building good dialogue with companies benefit UHB in terms of closer collaboration, and opportunities to test developments ahead of others giving opportunity to UHB to continue as a leading Trust.

13/06/2022	Anita Jefferies	Head Of Rrpps	Procurement	Jan 2022 - June 2022	Dositracker	Dositracker are the suppliers of the equipment we use in the Approved Dosimetry Service (ADS). We have recently purchased equipment and dosimeters from them and intended developing in-house database and management software to run the service. Unfortunately the developer has left the Trust and we have had to find an alternative plan. Coincidentally Dositracker had started working with their partners, T2, to develop commercially-available ADS software. As far as we are aware there is no similar system on the market - our current software was written in-house and most UK ADSs have done the same. The Dositracker software is being developed especially to work with the new equipment and we are collaborating with the developers to ensure it is suitable for UK requirements. We are paying a monthly development fee, then have free support for a year; from then on we will be paying for support annually, as a standard customer.	Because of the collaborative way the software is being developed and acquired, we requested advice from Procurement but did not need to follow the standard procurement process. I'm filling in a DPIA for the software and because I answered "not required" to the question "do you have to go to Procurement as part of this project?" I am required to complete this form. We have no personal ties with either Dositracker or T2. Professionally they are an existing supplier - the only authorised supplier of the specific equipment we have purchased. The software is not available elsewhere and will be used as an integral part of the equipment.

09/07/2022	Steffen Kroll	Consultant Anaesthetics And Critical Care	Clinical private practice		Priory Hospital (Circle Health Group)	I reduced my activities in the private sector. I currently provide anaesthetic services for 2 to 3 colorectal lists per month and 3 to 4 days of cover for critical care.	I never mix up my NHS and private duties, my work within the NHS is my priority. The colorectal lists are happening on a Monday which is one of my non-clinical days. The rota for critical care is negotiated on a monthly basis. It's easy to pick days when I'm not committed at the QE.

09/07/2022	David William Riddington	Consultant In Anaesthesia And Critical Care Medicine	Outside employment	December 2012 to present	Medical Practitioners Tribunal Service	I sit as a Medical Member of interim orders tribunals for the MPTS. The MPTS makes decisions about doctors whose fitness to practise has been called into question by the General Medical Council. From time to time I have to travel to Manchester to sit on face-to-face hearings, and my legitimate expenses for travel and accomodation are reimbursed by the General Medical Council.	I sit in a quasi-judicial role, and the MPTS has strict criteria for detection of conflicts of interest between myself and the doctor(s) concerned. By adherence to these criteria I am able to avoid conflicts of interest.

I also undertake one clinic per month at the SKN laser clinic in Leamington Spa and provide medical oversight of the clinic. All my private work is detailed in my job plan and reviewed at job planning meeting and appraisal	My private practice mirrors my NHS practice. I comply with the Trust code of conduct and the NHS patients are never disadvantaged. If appropriate and not excluded by PLCV, I routinely inform patients that procedures are available as NHS patients, even if they seek private treatment
01/09/2022	Rishi Singhal	Consultant Bariatric & Upper Gi Surgeon	Procurement	01/01/2022	BOWA SRA	I have entered into a Cooperation Agreement with BOWA Medical UK the trading name of SRA Developments Ltd. BOWA produces and markets high-frequency and ultrasonic surgery systems and accessories as well as surgical instruments. BOWA and other MedTech Industry partners rely on scientific and clinical collaboration with experienced doctors in order to develop and bring to the UK market optimum products. Owing to my many years of medical experience and comprehensive know-how in the field of clinical research, treatment and communication of treatment techniques. As well as longstanding experience in the field of general surgery and, in particular, bariatric and minimally invasive surgical techniques, SRA requested I undertake independent project work in the form of a consulting service for specified projects related to their introduction of products to the UK market. It is important to highlight that under the Cooperation Agreement I am active only in an intermediary, advisory and supporting capacity as an independent collaborative partner. There is clear understanding that the Cooperation Agreement is not implicitly or explicitly linked to an agreement for me to purchase, lease, recommend, prescribe, use, supply or procure the Company's products or services. I have collaborated on one project with BOWA on the Lexington Stapler in relation to its application and clinical effectiveness in the field of Bariatric Surgery in the UK market. I have no interest or have no shareholding in either businesses (BOWA Medical or Lexington Medical).	I have declared this agreement at my appraisal and discussed it at length

26/09/2022	Stephen Ward	Consultant Colorectal Surgeon	Sponsorship	20/09/2022 to 23/09/2022	THD	I attended a THD seminar on Anoscopy in Dublin. This seminar occurred the day before the European Society of Coloproctology Annual Meeting (21-23/9/22). THD arranged flights for me to attend their Anoscopy seminar but delayed the return flight to 23/9/22 so I could attend the conference. They also paid for a hotel room for the night of 20/9/22. The remaining hotel stay and conference fees I paid myself.	Any decisions regarding purchasing of equipment for Anoscopy will be decided by the department and I have declared the above conflict of interest.

20/10/2022	Bikram Singh Thind	Consultant Orthodontist	Gifts	19/10/2022	Patient's Parents	I was gifted a pen valued above the limit allowed by the Trust policy in regards to gifts that can accepted without declaration.	There is no conflict of interest in accepted this gift, as it has no bearing on the treatment delivered to the patients. The gift was given at end of treatment as gratitude for the treatment received over 7 years. The treatment offered to the patients was not in any way different in any respect to other patients I have treated whilst working for the trust over 12 years. There was no acceptance on my part to receive this gift. It was given by the patient's parents from their own free will and came as totally unexpected. Not accepting would have been understandable to them however it would have been upsetting.

24/10/2022	Cherry West	Chief Transformation Officer	loyalty interests	September 2019-current	SaTH; STW; NHSEI	UHB entered into an improvement alliance with SaTH. In this capacity I have been working closely with STW. When the Alliance ended in April 2022. NHSE National Director for Intensive Support asked that I continue to work with SaTH and STW in the role of Improvement Director for 6 months. This is neither a substantive role nor a secondment but the role affords me the opportunity to attend their Boards from time to time and to contribute to strategic, delivery and assurance suggestions. During this time I remain a Board Director at UHB in the capacity of Executive Chief Transformation Officer. I do not believe there is a conflict of interest but given that both SaTH and STW ICS are both in segment 4 of the NHS Oversight Framework it is useful for the Trust Board to be reminded of the work I am doing in this aspect of my portfolio.	Awareness of confidentiality and the privilege of sensitive information and continuing to uphold the Nolan principles and GGI standards when conducting all business. On-going support of my Line manager (CEO at UHB) for advice and guidance.

17/12/2022	Ross Elledge	Consultant Oral And Maxillofacial Surgeon	Sponsorship	01/07/2022 - 27/09/2022	Stryker	I appeared as a sponsored Stryker TMJ Concepts panel member at the European Association of Craniomaxillofacial Surgeons (EACMFS) Conference in Madrid, Spain. I was paid £150/h for preparatory work and £150/h for the symposium where I was a guest panellist. This totalled £1,425.00.	I signed a contract with the Education arm of Stryker, which sits apart from Sales. It was made clear that my attendance was in no way an endorsement of Stryker or their products, but rather an open expert discussion with THIRD PARTY NAME REDACTED(Madrid, Spain) and THIRD PARTY NAME REDACTED (Nottingham, UK) to discuss TMJR more broadly, present my research on an eTMJR classification system and raised the profile of the tertiary TMJ service in Birmingham. Remuneration was in no way linked to the contents of my talk and no conditions were placed on this by Stryker or their affiliates.
17/12/2022	Ross Elledge	Consultant Oral And Maxillofacial Surgeon	Sponsorship	16/11/2022	Stryker	I received an honorarium of £2,700.00 for a talk delivered to Stryker sales representatives worldwide from Freiburg im Breggau. This was a talk on TMJ disorders for their learning and development and what would be expected of the ideal sales rep. This formed part of an event to which I was invited for Stryker TMJ Concepts product launch (all accommodation and travel expenses were covered by Stryker).	It was made clear again that the talk was independent and impartial. Contracts were signed with Stryker Education team, set apart from Sales. No duress was placed on me for contents of the talk and I was free to set my own contents and raised the profile for the tertiary referral service in Birmingham.
17/12/2022	Ross Elledge	Consultant Oral And Maxillofacial Surgeon	Outside employment	12/12/2022	Callisto MedTech Partners	I was paid an honorarium of £250.00 by BACS transfer for a surgeon insight session (60 minutes) discussing my experience of patient specific implants.	Callisto MedTech are an independent intermediary helping healthcare startups. I provided this talk with no knowledge of their intended client(s) and spoke broadly and impartially about my work with patient specific implants, providing insights into expectations for an ideal service and product.

19/12/2022	Dominic Power	Consultant Hand And Peripheral Nerve Surgeon	Sponsorship	5th December 2022-6th December 2022	Hospital Innovations and LEDA Orthopaedics	Visiting professor to UHB from Mass Gen in Boston. Hosted at UHB and Monday Journal club and talk supported by Joint Operations included dinner for hand and nerve team (consultants, fellows, trainees and therapists). No industry talk. The following night dinner for the nerve team was provided by LEDA Ortho who distribute Checkpoint nerve stimulators in the UK. This included an informal discussion of the product. The attendees were nerve consultants, MDT co-ordinator and trainees. Dinner was provided by LEDA ortho.	Declaration of hospitality. Evidence based discussion of product indications and CI. Discussion of the experience of the visiting surgeon. Previous trial of product at UHB. Consultant team tabled for discussion of product at the nerve MDT and the conclusion was that there is limited indication in our current practice as we use a cheaper alternative, albeit with a time loss in theatre from the cheaper product due to longer set-up.

06/02/2023	Benjamin Rhodes	Consultant Rheumatologist	Strategic decision making groups	13/01/23 onwards	NHS England Clinical Reference Group for Specialist Rheumatology	Non-remunerated role. Involved in defining quality standards in specialist rheumatology, involved in policy making as a 'stakeholder' in NICE drug approvals, formulating drug prescribing pathways and advising on regional speciality 'network' arrangements. Currently rewriting contract for specialist rheumatology providers.	Although my role in the clinical reference group could contribute to changes in the contract arrangements for UHB as provider of specialist rheumatology services, this is pretty remote from my UHB role as a consultant rheumatologist. I do not see any direct conflict of interest. I will continue to provide my UHB consultant work within whatever framework and guidelines are currently in operation.
06/02/2023	Benjamin Rhodes	Consultant Rheumatologist	Outside employment	18/01/2023	Otsuka Pharmaceutical	Paid Honoraria for attending company meeting and briefing on current treatment strategies and pathways for managing lupus nephritis. Not a promotional event.	The company product is not approved for use in UK yet and is subject to NICE review. All my prescribing (UHB prescribing) will be done in accordance with NICE approved/NHS commissioned pathways, so I see no conflict of interest. This was not a promotional event.

This is a company that is a vehicle for primarily my personal private practice, having no other employees. I have a 12PA contract at UHB with an on call commitment. I always prioritise my NHS practice and never allow my private practice to compromise my NHS Practice or NHS SPA commitment. I have declared my sessions outside of UHB at my recent Job Planning. My sessions are add hoc but do fill my non timetabled UHB commitments and do not conflict with my on call commitment. I primarily work out of The Westbourne Centre, Edgbaston that has excellent clinical governance. To my knowledge The Westbourne Centre does not have a conflict of interest with UHB. My sessions at The Westbourne Centre are primarily NHS patients with a small mixture of self pay and insured private patients. I have, and will continue to if necessary, cancel my private sessions for NHS emergency care (but not scheduled NHS elective care given my 12PA commitment to the NHS and NHS remuneration).	I have no conflict of interest to my knowledge, fulfilling my full 12PA NHS contract and on call. The practice I have outside of UHB, to my knowledge, does not compete with UHB for patients or offer waiting list solutions to the trust.

23/02/2023	Christopher Evans	Consultant	Sponsorship	ongoing	pharmaceuticals	Regularly at the Diabetes and Endocrine team meetings we have drug companies presenting their drugs and giving free buffet lunches on site. These meetings form part of my job plan and I have no reasonable and legitimate way of avoiding the input by the drug reps. I have also attended a conference by a specialty society (European Society of Endocrinology) where drug reps sponsored one of the sessions I attended. The speakers declared that their talks had not been influenced by the drug companies. The session was open to all delegates and was a scientific session.	As above. I would like formal clarification on whether such events are disclosable.

03/03/2023	Elizabeth Chipp	Consultant Burns And Plastic Surgeon	Outside employment	2017 to current date	Burnaid	I am the treasurer and secretary of a small charity called Burnaid which provides financial support to patients with burn injuries. This is a voluntary position which is carried out outside of my NHS commitments.	The charity is registered with the Charity Commission. We have regular committee meetings to ensure high levels of governance. No patient information is shared from UHB to Burnaid, all information is provided by patients themselves. The charity actually financially benefits patients and may avoid them requiring assistance from UHB charity or other NHS services.
03/03/2023	Elizabeth Chipp	Consultant Burns And Plastic Surgeon	Clinical private practice	2016 to current date	Skin and Follicle Clinic (soon to be renamed The Wimpole Clinic)	I carry out a moderate amount of private medicolegal work producing medical reports for personal injury cases. I rent a room from the Skin and Follicle clinic on Hagley Road to see clients. This work is done at weekends or on Mondays when I have no regular NHS commitments.	I do not see patients that I have treated in an NHS setting. I do not discuss private work with NHS patients. I ensure all work is always carried out in non NHS contracted time. All work is also declared in my annual appraisal.
03/03/2023	Elizabeth Chipp	Consultant Burns And Plastic Surgeon	Gifts	01/12/2022	Patient	I was given a bottle of champagne from a patient as a gift in appreciation of the care he had received. This had an estimated value of approximately £30-40.	The patient had already completed his treatment under my care and has been discharged. The gift will have no bearing on any future treatment he may require.
03/03/2023	Elizabeth Chipp	Consultant Burns And Plastic Surgeon	Outside employment	2017 to current date	Nishkam High School	I am the deputy chair of Governors at Nishkam High School in Birmingham. This is a voluntary position and unrelated to my NHS practice.	I am not aware of any conflict of interest. The role is entirely in the education sector and there is no interaction with my medical profession.
