

Queen Elizabeth Hospital Heart & Lung Transplant Support Group

Disclaimer

Group Purpose:

This support group offers a safe and supportive environment for patients at all stages of their heart or lung transplant journey — whether preparing for transplant or living post-transplant. It is a space to share experiences, offer mutual support, and receive information and guidance from peers and professionals.

By participating in this group I agree that

- I have voluntarily chosen to participate in the Heart & Lung Transplant Support Group at Queen Elizabeth Hospital Birmingham.
- I understand that this group is for support purposes only and does not replace medical advice from my clinical team.
- I agree to respect the privacy and confidentiality of other group members, and I understand that anything shared within the group must not be discussed outside of it.
- I understand that I am not required to share any personal information and may choose to participate as much or as little as I feel comfortable with.
- I understand that photographs or recordings will not be taken during meetings unless all participants involved give express consent.
- I give permission to be contacted by email or phone with updates about the group, meeting details, or other relevant information.
- I understand that I may withdraw my consent and leave the group at any time without giving a reason.
