

Map of Good Hope Hospital

Traffic marshal in place to assist with traffic flow.

Restricted vehicular access

Single lane restriction under traffic light control.

Pavement access from car parks around to ED blocked. Pedestrian access into the hospital from this direction via new temporary walkway.

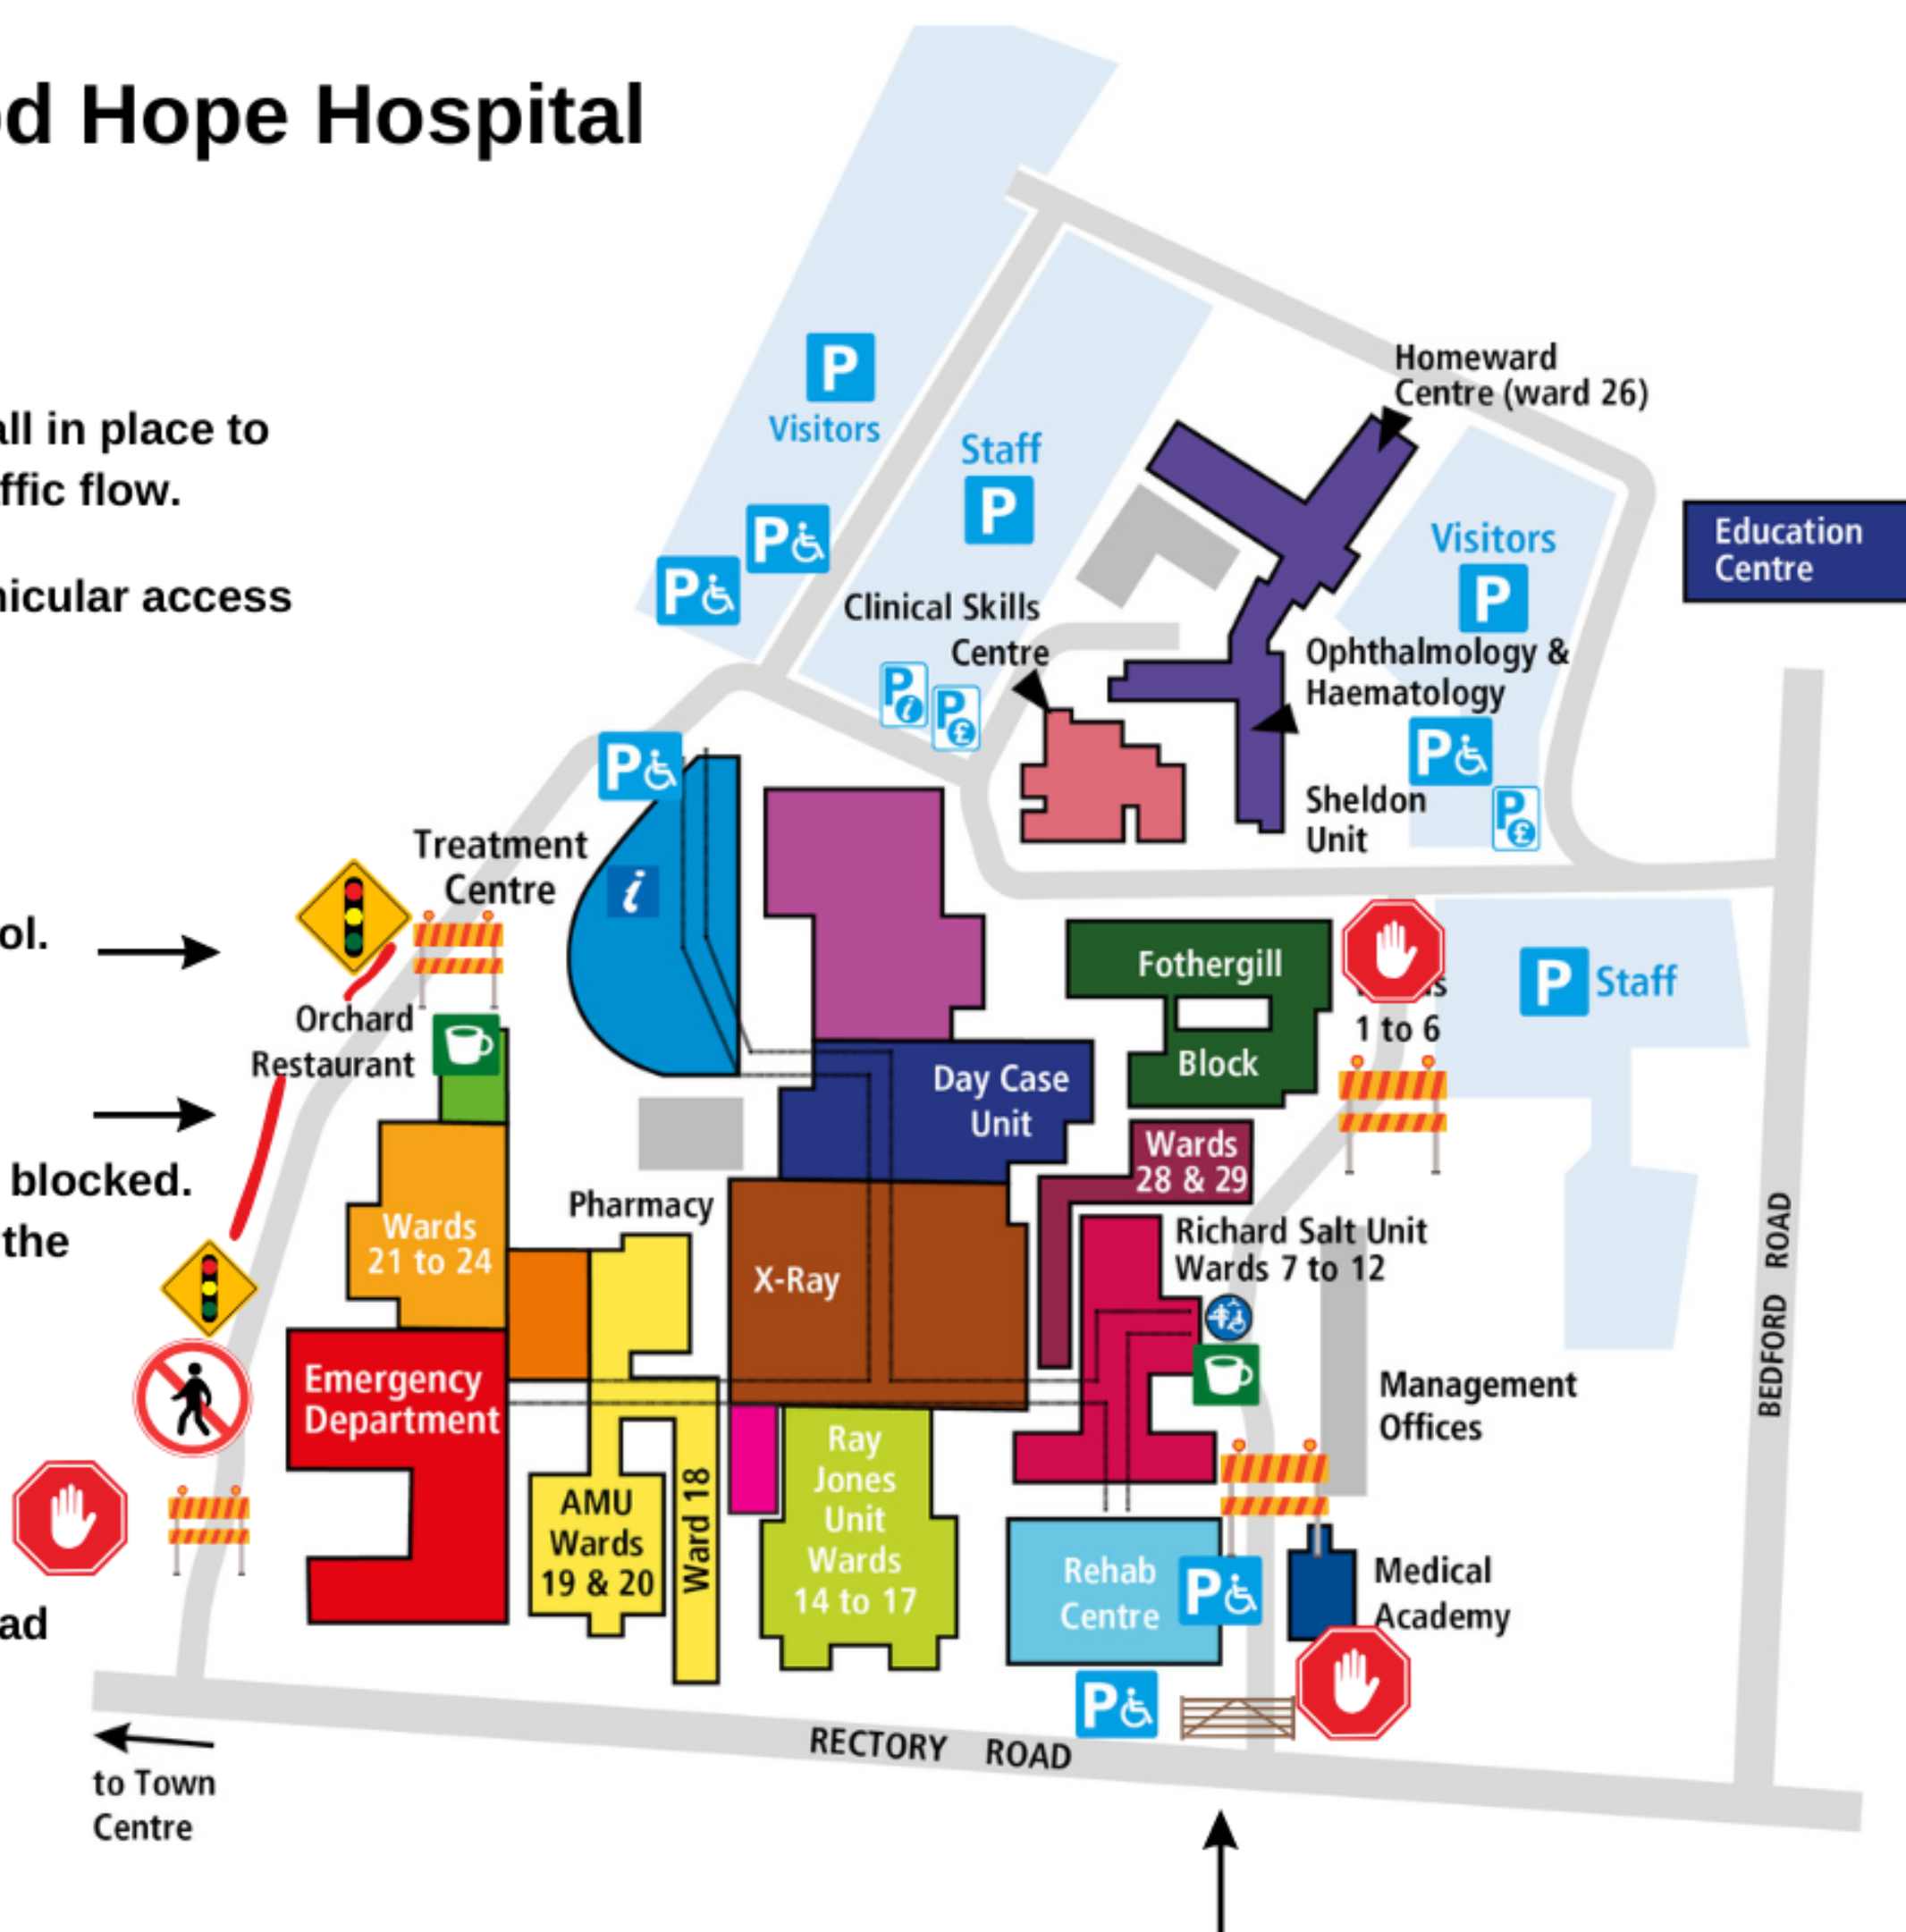

Access off Rectory Road for emergency patients being dropped-off and emergency ambulances only.

Traffic marshal in place. Please use the Bedford Road entrance to access the site.

Emergency Department (ED) remains open at all times.

Wooden gate access off Rectory Road opened up for:

- Colleagues accessing the staff car park
- Blue badge holders
- Disabled patient drop-off to Rehab Centre

Access controlled by traffic marshal.
